EDUCATION

PDEA's College of Engineering, Manjari

Bachelor of Engineering in Information Technology, SGPA: -/10

Pune, Maharashtra

Sept 2024 – June 2027

MVPS's Rajarshi Shahu Maharaj Polytechnic

Diploma in Information Technology

Nashik, Maharashtra

June 2021 – June 2024

TECHNICAL SKILLS

Languages: JavaScript, Python, Java, C++, HTML5, CSS3, SQL, Solidity

Frameworks & Libraries: React.js, Node.js, Express.js, MongoDB, Next.js, Tailwind CSS, Bootstrap

Developer Tools: Git, GitHub, VS Code, Postman, Firebase, Vercel, Docker

Core Competencies: MERN Stack Development, RESTful APIs, Web3 Development, Problem Solving, Data Structures & Algorithms, Agile Methodologies

EXPERIENCE

FOSS Club Lead

PDEA's College of Engineering

Feb 2025 – Present

Pune, Maharashtra

- Leading open-source initiatives and organizing technical workshops for 200+ students, fostering collaborative development culture
- Coordinating hackathons and contribution drives, increasing student participation in open-source projects by 150%

Web Development Lead

CodeX Club, PDEA COEM

Jan 2025 – Present

Pune, Maharashtra

- Mentoring team of 15+ developers in full-stack web development using MERN stack and modern JavaScript frameworks
- Architecting and deploying club website with 95+ PageSpeed score, implementing CI/CD pipelines for automated deployments

Campus Ambassador

GirlScript Summer of Code (GSSoC)

June 2025 – Present

Remote

- Promoted open-source culture across campus, onboarding 50+ students to GSSoC 2025 program
- Contributed to multiple open-source repositories, resolving issues and implementing new features across various tech stacks

Web Development Intern

Sumago Infotech Pvt. Ltd.

Aug 2022 – Oct 2022

Nashik, Maharashtra

- Developed responsive frontend components using React.js and integrated RESTful APIs, improving application performance by 30%
- Collaborated with senior developers on production-level projects, participating in code reviews and agile sprints

PROJECTS

LMS Platform - Learning Management System

GitHub

Next.js, TypeScript, React.js, Prisma, PostgreSQL, Stripe

- Architected full-stack LMS platform with course management, video streaming, and payment integration serving 500+ users
- Implemented role-based authentication, progress tracking, and real-time analytics dashboard for instructors and students
- Optimized video delivery using CDN integration and lazy loading, achieving 95+ Lighthouse performance score

AI Resume Analyzer

GitHub

React.js, Node.js, NLP, Machine Learning, Python, OpenAI API

- Built AI-powered resume analysis tool using NLP and ML to extract skills, provide ATS scores, and recommend improvements

- Integrated GPT-based recommendations engine that analyzes 10+ parameters, helping users optimize resumes for job matching
- Developed RESTful APIs handling 1000+ daily requests with 99.5% uptime and sub-200ms response times

POAP-Aptos: Proof of Attendance Protocol

GitHub

Move, Aptos Blockchain, React.js, TypeScript, Web3.js

- Engineered decentralized POAP system on Aptos blockchain using Move language for event attendance verification
- Implemented smart contracts for NFT minting and distribution with gas-optimized transactions reducing costs by 30%
- Created seamless wallet integration and user-friendly interface for claiming and displaying attendance NFTs

AI Campus Wealth Tracker

GitHub

React.js, Node.js, MongoDB, Express.js, Chart.js, AI/ML

- Developed expense tracking application with AI-powered financial insights and predictive analytics for students
- Built data visualization dashboard with interactive charts showing spending patterns and budget recommendations

ACHIEVEMENTS & CERTIFICATIONS

Top 10 Finalist: VIT Hackathon – Developed innovative solution among 500+ participants

Winner: I HACKATHON: Pune Web3 Edition – Built blockchain-based application

Build on Aptos Bootcamp: Completed intensive blockchain development program focusing on Move language

Deloitte Australia: Data Analytics Job Simulation – Completed virtual experience program

Postman API: Fundamentals Student Expert certification
